-
-

The second **CPS - Create Class** dialog shows the following fields and options:

- Class Title:
- Lower Range:
- Upper Range:
-
-

The window below will appear and you are ready to ask your verbal question.

The Engage Toolbar:

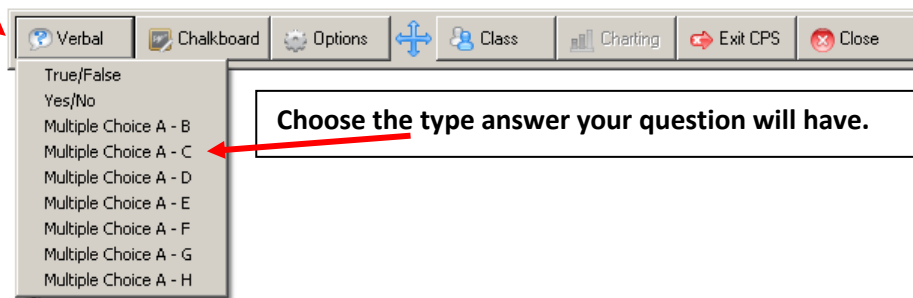

Click here and you can move the Engage Toolbar around on your screen.

Click **Verbal**.

This window opens:

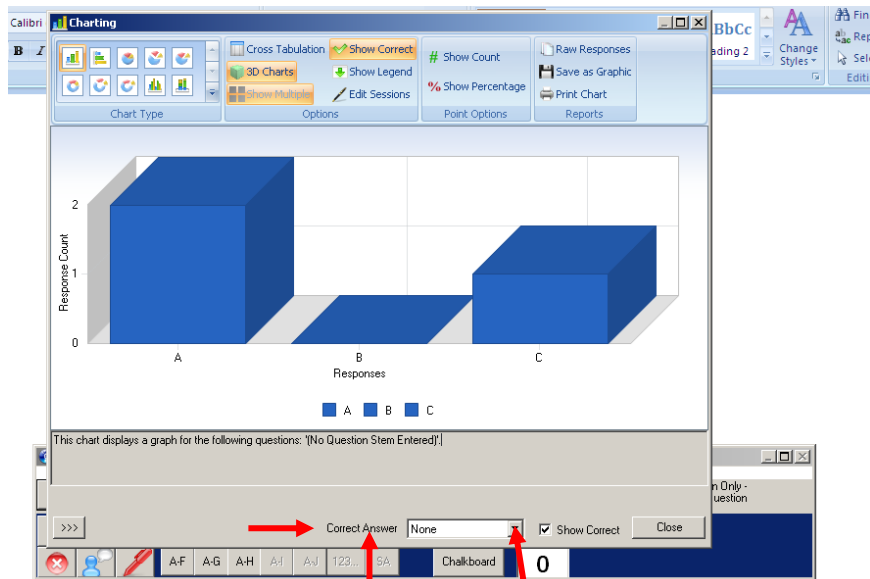

This window (**Content Deliver**) will appear next:

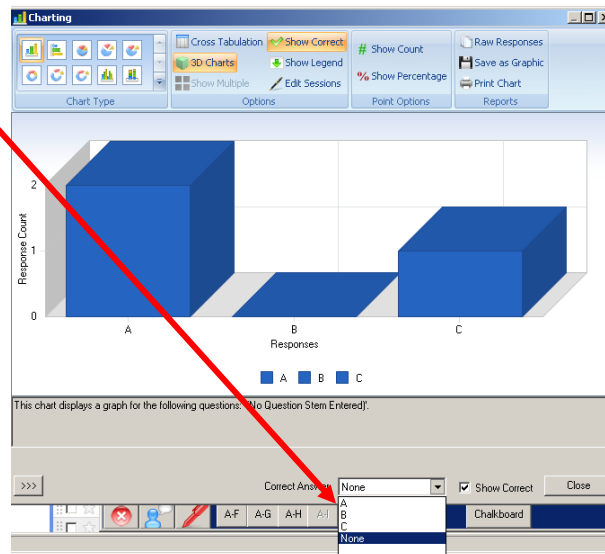

Click **End** when everyone has answered.

This window will come up after you click **End**.

With a **Verbal** question, you have to select the correct answer.

Correct answer turns
green.

Click **Close** to move to next question.

Below is the window that will appear when **Close** is selected after viewing the correct answer.

The question type of the previous question is indicated by the *. If the new question will have the same type answer, you do not have to do anything. If the new question has a different type answer, select the new type answer before continuing.

You will have to click Start to engage the CPS system with each new question.

The process begins again:

When everyone has answered, click End...
